September 18, 2016 From 5pm - 9pm

This is your opportunity to capture the magic of our museum's after hours. That magic moment just before sunset when the ambience allows for a more subtle variant of color and mood. And for the enthusiasts, the opportunity to capture trucks by the light of the full moon. This is when the trucks really start talking, no longer an inanimate object, they become alive!

This is an open invitation to Photographers to utilize this rare time for a very unique photo op experience! An opportunity to meet others with same passions and a chance to exercise your camera skills. You won't want to miss this special opportunity!

Donations are appreciated and keep our museum operational. ADMISSION IS FREE.. PLEASE RSVP
