

MTM's VISITORS PHOTO GALLERY

Entry Guidelines and Form

The Motor Transport Museum thanks you for your visit to our museum and we are pleased that you have decided to share the visions you captured on our web sites "Visitors Photo Gallery" for others to see. We hope your visit was enjoyable and look forward to seeing you again!

This Entry Form is designed to protect your photo entries rights of exposure on our "Visitors Photo Gallery". It also gives you an opportunity to provide information about yourself, business, links, museum visit and your logo. We've created the gallery in a medium which prevents your photos from being used by image search engines such as Bing or Google and normal means of downloading

A. Ownership and copyrights of all entries are retained by the photographer. The Motor Transport Museum obtains the "Right of Use" of photos which are submitted only for use on the Web Site and its photo gallery and will display the photographers' full copyright information along with the photograph when it is used. It is to be understood by the photographer that all photos sent to the Motor Transport Museum are considered to be a donation and can be used by the Museum strictly for "Non Profit" purposes under the guidelines our Non Profit, 501c3 status.

You also have an opportunity to donate the "Right of Use" of your photos to us to be used in raising funds for the continued operation of our museum through sales of postcards, posters, tee shirts etc. all of which would display your copyright information and logo. We will contact you for permissions.

B. Motor Transport Museum builds the entrants gallery via their own web master free of charge, including the quarterly rotation of photos and information to your gallery. No more than 60 photos will be accepted for your gallery and all photos must have been taken at the Motor Transport Museum. There are no limitations to the style of photography submitted, as they may be color, black and white, monochrome, altered or retouched.

The Motor Transport Museum has the right to refuse any photograph considered by them to be inappropriate. This means photographs containing nudity, sexual content or innuendos; vulgarity, racial or political slander or anything the majority would consider to be in bad taste will be rejected.

C. All gallery entries must be digital photos and submitted at high resolution at no less than 240dpi as a jpg or a file format to allow for its best quality when reformatted for display. Digital copies may be sent by DVD, CD, USB memory, Dropbox, or zip file via email. (*No third party links such as "Shutterfly", "Flicker", etc.*)

D. Copyright/Logo Watermark: You can place your own copyright on your photo or the web master will attach a watermark copyright in a discreet area on the picture based on the information supplied by the photographer within the entry form. If the photographer has a special logo to be used as a watermark, this also should be supplied to us via digital entry either as a bitmap, jpeg or tiff.

Entries should be mailed to:

**Attn. Photo Gallery
Motor Transport Museum
31949 Highway 94
Campo, California 91906**

The "Digital Entry" may be sent via e-mail to: motortransportmuseum@gmail.com
